COMPROMISING ADMINISTRATIVE OVERPAYMENTS,
LOMELI V. SAENZ COURT CASE

The purpose of this letter is to transmit the corrections to ACL 01-49. The ACL contains incorrect statements on page two in paragraph two. The first sentence of the paragraph should cite "MPP Section 63-801.33 (not MPP Section 63-601.33) allow for establishing recipient claims involving the trafficking of benefits."

The last sentence of the paragraph should read "Trafficking of benefits claims must be established by the end of the quarter following the quarter in which the offense was discovered (not occurred) and for the value of the benefits trafficked." This statement correctly represents the revised regulations found in MPP 63-801.332.

If you have any questions regarding these corrections, please contact Sandra Pierce at (916) 653-5208.
